

# Vaibhav Vijay

Product Manager | GTM Strategy | AI Led Product Development

+91 9982267285 | vvvj.14@gmail.com | linkedin.com/in/vaibhavvijay10 | vaibhavvijay.com

## PROFESSIONAL SUMMARY

7+ years building consumer and platform products at the intersection of product, growth, and GTM. Led 0 to 1 product launches, scaled brands from zero to \$2.5M to \$3.5M in annual revenue, and owned the full KPI stack across acquisition, activation, retention, and LTV. Hands on with experimentation, lifecycle product journeys, and AI driven product development.

## PROFESSIONAL EXPERIENCE

### OptiServ Consulting

Hyderabad, India

#### Product and Customer Experience Manager

Dec 2025 to Present

- Owned product roadmap and KPI framework for the customer experience platform, combining segmentation, lifecycle journeys, trigger based automations, and A/B testing to drive **repeat usage by 15%, CSAT by 9%, and response time by 27%**.
- Partnered with engineering on product instrumentation and experiment design; defined **PRDs, user stories, and success metrics** for support workflow and SLA improvement initiatives.
- Led a **25 member cross functional team** across Product, CX, QA, and Ops to ship product enhancements, SOPs, and QA cadences that lifted SLA adherence.

### KPAX Marketing

Cyprus (Remote)

#### Head of Growth and Product

Jan 2025 to Nov 2025

- Owned **end to end product strategy** for acquisition, monetization, and lifecycle surfaces; defined roadmap, hypothesis backlog, and KPIs across Meta, Google, and Apple Search Ads ecosystems.
- Scaled brands from **0 to \$2.5M to \$3.5M in annual revenue within 9 months** by shipping lifecycle, paid, and analytics product features.
- Improved **LTV from \$70 to \$350 and reduced payback time by 40%** through cohort based retention experiments, personalization, and journey optimization.
- Led a **15 member cross functional org** across Product, Growth, CRM, and Operations.

### KPAX Marketing

Cyprus (Remote)

#### Product and Growth Strategy Lead

Oct 2021 to Dec 2024

- Led **0 to 1 product launch and GTM**; defined PRDs, user requirements, onboarding, checkout, and payment journeys; lifted adoption and conversion through iterative experimentation.
- Drove customer segmentation and lifecycle product journeys, increasing **repeat transactions by 15 to 25%, ROI by 10 to 20%, and reducing churn by 8 to 12%**.
- Built creative testing and keyword product systems on Apple Search Ads, scaling efficiently to **CPA below \$4**.

### Ekatra Collective

Jaipur, India

#### GTM and Product Marketing Manager

Dec 2020 to Oct 2021

- Owned **post Shark Tank product marketing and GTM**; refined positioning, packaging, brand narrative, and channel mix to scale revenue from **\$50K to \$220K**.
- Built repeat purchase product loops via Meta and Google Ads, influencer seeding, retargeting, content, and Email/WhatsApp lifecycle CRM.

### ThinkQuant

Gurgaon, India

#### Growth and Product Associate

Feb 2019 to Nov 2020

- Drove user acquisition product experiments via Google PPC and Meta Ads, lifting monthly new user signups **+57%**.
- Launched a multi channel CRM product (Push, SMS, Email, WhatsApp) on MoEngage to drive lifecycle engagement.
