

Vaibhav Vijay

Product Manager | GTM Strategy | AI Led Product Development

+91 9982267285 | vvvj.14@gmail.com | linkedin.com/in/vaibhavvijay10 | vaibhavvijay.com

Product and growth leader with **7+ years** building consumer and platform products across product, growth, and GTM. Scaled brands to **\$3.5M annual revenue**, grew **LTV 5x**, and led teams of up to **25**. Owns the full KPI stack from acquisition to LTV, with hands on depth in experimentation, PRDs, and **AI driven product development**

PROFESSIONAL EXPERIENCE

OptiServ Consulting | Product and Customer Experience Manager Hyderabad, India | Dec 2025 to Present

- Owned product roadmap and KPI framework for the customer experience platform, combining segmentation, lifecycle journeys, trigger based automations, and A/B testing to lift **repeat usage 15%**, **CSAT 9%**, and cut **response time 27%**
- Led a **25 member** cross functional team across Product, CX, QA, and Ops to ship enhancements, SOPs, and QA cadences that lifted SLA adherence
- Partnered with engineering on product instrumentation and experiment design; defined PRDs, user stories, and success metrics for support workflow and SLA improvement initiatives

KPAX Marketing | Head of Growth and Product Cyprus (Remote) | Oct 2021 to Nov 2025

- Scaled brands to **\$3.5M in annual revenue** within 9 months by shipping lifecycle, paid, and analytics product features
- Improved **LTV from \$70 to \$350** and reduced **payback time by 40%** through cohort based retention experiments, personalization, and journey optimization
- Owned end to end product strategy for acquisition, monetization, and lifecycle surfaces; defined roadmap, hypothesis backlog, and KPIs across Meta, Google, and Apple Search Ads ecosystems
- Led a **15 member** cross functional org across Product, Growth, CRM, and Operations; promoted from Strategy Lead to Head
- Led **0 to 1 product launch** and GTM; defined PRDs, user requirements, onboarding, checkout, and payment journeys, lifting adoption and conversion through iterative experimentation
- Drove customer segmentation and lifecycle product journeys, increasing **repeat transactions 15 to 25%**, **ROI 10 to 20%**, and reducing **churn 8 to 12%**
- Built creative testing and keyword product systems on Apple Search Ads, scaling efficiently to **CPA below \$4**

Ekatra Collective | GTM and Product Marketing Manager Jaipur, India | Dec 2020 to Oct 2021

- Owned post Shark Tank product marketing and GTM; refined positioning, packaging, brand narrative, and channel mix to scale revenue from **\$50K to \$2M**
- Built repeat purchase loops via Meta and Google Ads, influencer seeding, retargeting, and Email/WhatsApp CRM

ThinkQuant | Growth and Product Associate Gurgaon, India | Feb 2019 to Nov 2020

- Drove user acquisition product experiments via Google PPC and Meta Ads, lifting monthly new user signups **+57%**
- Launched a multi channel CRM product (Push, SMS, Email, WhatsApp) on MoEngage to drive lifecycle engagement
